Weekly

Challenges

During our time at home, I'm asking students to creatively problem solve and tackle artistic challenges, while learning life-long skills such as persistence, reflection, and independence.

**Submissions
DUE on FRIDAYS!**

See Page 2 for
the *Challenge
of the Week!*

All student submissions
(photos or videos)
can be emailed to
ewestphal@ncajets.org

Updates will be posted on
the art website and on my
Instagram account:

artofthejets

How do I submit?

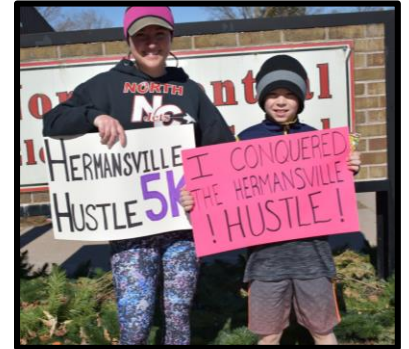

Challenge of the Week

DUE FRIDAY, APRIL 17th

Hermansville Hustle 5k

Create a large sign that says "In Memory of Sheila" using any media of your choice. Complete a 5k walk/run on your own or with family. After (or while) you complete the 5k, take a photo or video with your sign and send to ewestphal@ncajets.org.

A few notes

- The National Honor Society 5k event (originally April 25th) had to be postponed due to our school closure. The full event will happen this fall.
- Having this *virtual 5k* is a way to have the event while still following social distancing guidelines.
- If you are choosing to send a video, please keep it around 30 seconds.
- The event is held annually in memory of Sheila Sanville, former NCA teacher and National Honor Society adviser who passed away in 2015.
- More information on our annual event can be found at www.hermansvillehustle.weebly.com or searching the event on Facebook.

New challenges will be posted every Monday.

Weekly videos are posted on YouTube and linked at artofthejets.weebly.com

Final Video

I will use all student submissions to create a collaborative YouTube video over the weekend to share with the JETS community every Monday. Videos will be posted on my website and shared on the *North Central Area Schools* Facebook page.
